## SMG BI-ANNUAL SHOW

*Call for Entries*

Surprise! It's time to start that piece you've been waiting to create. SMG will be hosting a members show in conjunction with the March 1998 SNAG conference in Seattle. Once again the show will be located at the Washington State Trade and Convention Center. This is an all inclusive show for our membership and a wonderful opportunity to showcase our talent to the visiting metals community as well.

The approximate dates of the show will be March 17 through June 26. Delivery dates for your work will be February 28th and March 31st. All work submitted must stay in the show for the duration. Complete information and a participant form will be included in your next newsletter.

## SNAG LIGHTING SHOW

*Call for Entries*

Don't forget the June 1 deadline for your entry in this show. A minimum of 6 slides will be judged of past work (need not be of lighting) in June 1, 1997. Entrants who are chosen will have 8 months on which to design and construct their piece for the show which will run during the March 1998 SNAG Conference.

All you need to do is send 6 slides of past work (may be in another genre). For entry information send SASE to Kathryn DeLong, Coordinator, PO Box 900, Port Hadlock, WA, 98339, phone (360) 385-7477.

## THE METAL TEAPOT

*Call for Entries*

Collectors of teapots have contacted me about the purchase of work that retails between \$200 and \$3000. There is a market for good design at prices that encourage buyers to collect. Ceramic and glass teapots have developed a following and it time for the metal teapot to join the collection.

I am seeking work for a catalogue format and potential web site presentation. If you are interested in selling your teapots or objects related to the service of tea, send the following information to my office by June 1, 1997. I will review all submissions and respond promptly.

Include in your mailing; artists name, address, telephone and fax number, slides accompanied by a data sheet stating; title of teapot, material, dimensions, one of a kind or limited edition and artist price. Enclose a current resume and a brief statement about your work. Send to: Rosanne Raab Associates 167 East 61st Street, New York, NY 10021
