MEET US AT THE FAIR

The Seattle Metals Guild is going to have a booth at the Pacific Northwest Arts Fair. We will be sharing the space with Bellevue Community College.

Date: July 25, 26 & 27, 1997
Time: Friday and Saturday 9:30 am to 9:30 pm,
Sunday 9:30 am to 6:30 pm
Location: Bellevue Square, outside of the Bon Marche,
next to the fountain.

We will be educating the public about the guild as well as giving demonstrations. This is where you, the members, can help. We will need volunteers to sit at the booth, as well as members to give short demonstrations to the public. This is a great opportunity to let the public know what we are about. Please help at this event. If you are interested in demonstrating a technique, or just sitting at the booth contact Marcia Bruno (937-8845). If this is successful, we may be able to make this an annual event!

GENERAL MEETING with Guest Speaker, Laurie Hall

Date: Wednesday, October 8, 1997
Time: 7:00 pm to 9:00 pm
Location: Phinney Ridge Community Center
6532 Phinney Avenue North, Seattle

Every October we have a general meeting for all of the members to attend. At this meeting we inform the membership of up coming events as well as the current financial status of the organization. To entice you to attend this event, we have asked Laurie Hall to do a slide lecture on her work. Her work has been shown throughout the world, and we feel very fortunate to have her here in Seattle. If you know anybody that would like to become a member, this would be a great event to invite them to attend. Hope to see you there.
